

APPALACHIAN REGIONAL REFORESTATION INITIATIVE

TREES FOR APPALACHIA'S FUTURE

Save the Date: 2019 ARRI Conference,

Restoring Productive Forests on Mine Lands in Ohio

July 24-25, 2019

Pritchard Laughlin Civic Center, Cambridge, Ohio

The annual Mined Land Reforestation Conference will take place in Cambridge, Ohio, on July 24th and 25th. The first day will feature presentations by experts in the science, policy, and implementation of reforestation on active mining sites, abandoned mine lands, and previously reclaimed land. The second day will include site visits to several projects in Ohio at various stages of the Forestry Reclamation Approach. Opportunities for networking and collaboration will occur throughout the conference.

Registration

Early registration is \$125 until June 30th, 2019. After June 30th, registration increases to \$150. Registration includes a buffet lunch, coffee and snacks on Day 1, and transportation and lunch for the field trip on July 25th. SAF continuing education credits pending, we anticipate approximately 8 hours.

Vendor registration costs \$225 and includes a display booth space at the Civic Center, and one individual registration.

Partners

The 2019 conference will be a production of several important partners, including the Ohio Department of Natural Resources, USDA/Natural Resources Conservation Service, and Ohio University in Athens, Ohio.

USDA is an Equal Opportunity Provider, Employer, and Lender
